

## Correction

# Correction: Enzymatic Sialylation of IgA1 O-Glycans: Implications for Studies of IgA Nephropathy

**The PLOS ONE Staff**

The following information is missing from the funding section: grants LH11046 (Ministry of Education, Youth, and Sport, Czech Republic) and CZ.1.07/2.3.00/20.0164 European Social Fund. The correct Funding statement is: This study was supported in part by the NIH grants DK078244, GM098539, and DK082753, and grants LH11046 (Ministry of Education, Youth, and Sport, Czech Republic) and CZ.1.07/2.3.00/20.0164 European Social Fund, and by a gift from the IGA Nephropathy Foundation of America. The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.
