DOI 10.1007/s13300-014-0055-1

The authors of the above mentioned manuscript would like to make the following clarification. The associated ClinicalTrials.gov registration number for this GlaxoSmithKline trial “Albiglutide Thorough ECG Study in Healthy Volunteers” was inadvertently omitted within the previously published results. The full registration number for this trial is NCT01406262.
