# Erratum: BatTool: an R package with GUI for assessing the effect of white-nose syndrome and other take events on *Myotis* spp. of bats

Richard A Erickson<sup>1\*</sup>, Wayne E Thogmartin<sup>1</sup> and Jennifer A Szymanski<sup>2</sup>

## Erratum

After publication of this work [1], we were notified that part of the graphical user interface failed to function correctly. Specifically, the white-nose syndrome take scenarios did not load correctly. The command line aspects of the package were unaffected. This error has been corrected and new code attached.

## Reference
