

CORRECTION

# Correction: The Reading of Components of Diabetic Retinopathy: An Evolutionary Approach for Filtering Normal Digital Fundus Imaging in Screening and Population Based Studies

The *PLOS ONE* Staff

In the “Separating normal and abnormal fundus images” section of the Experiments and Results, there is an error in equation 8. Please view the complete, correct equation here:

$$\textit{Specificity} = \frac{\textit{number of true negatives}}{\textit{number of true negatives} + \textit{number of false positives}}$$
