Erratum: Genomes and phenomes of a population of outbred rats and its progenitors

Amelie Baud, Victor Guryev, Oliver Hummel, Martina Johannesson, The Rat Genome Sequencing and Mapping Consortium and Jonathan Flint

Scientific Data 1:140011 doi: 10.1038/sdata.2014.11 (2014); Published 10 June 2014; Updated 8 July 2014

The original HTML version of this Data Descriptor contained errors in the names and affiliations of several of the members of 'The Rat Genome Sequencing and Mapping Consortium', and included the name of a person, 'Magdalena Sekowska', who was not an author on this work or a member of this consortium. These errors have now been corrected in the HTML version of this article. The PDF version was correct at the time of publication, and has not been altered.
