

Erratum

Successful Transition From Insulin to Sulfonylurea Therapy in a Patient With Monogenic Neonatal Diabetes Owing to a KCNJ11 P333L Mutation.
Diabetes Care 2013;36:e201

DOI: 10.2337/dc14-er02b

In the print version of the article listed above, the abbreviation of phenylalanine (Phe) as P is not correct. The "P333L" mutation should have read "F333L." The online version reflects these changes.
