PROFILE

Correction for “Profile of Kazutoshi Mori and Peter Walter, 2014 Lasker Basic Medical Research Awardees: The unfolded protein response,” by Andrew Dillin, which appeared in issue 50, December 16, 2014, of *Proc Natl Acad Sci USA* (111:17696–17697; first published December 5, 2014; 10.1073/pnas.1419343111).

The author wishes to note the following: “In a Profile article published about Peter Walter and Kazutoshi Mori’s Lasker Award, Amy Lee was wrongly credited for the naming of glucose regulated proteins (GRPs). The correct citation is Shiu et al. I regret this oversight and apologize to all authors involved.” The full citation for Shiu et al. appears below.
