

## Corrigendum

In the article by M. S. O. Briec, C. D. Waters, J. E. Seeb, and K. A. Naish, (*G3: Genes|Genomes|Genetics* **4**: 447–460) entitled “A Dense Linkage Map for Chinook salmon (*Oncorhynchus tshawytscha*) Reveals Variable Chromosomal Divergence After an Ancestral Whole Genome Duplication Event,” Table 4 has been corrected.

Instead of Ots13p corresponding to Omy27 and Ots13q corresponding to Omy18q, the table has been corrected so that Ots13p corresponds to Omy18q and Ots13q corresponds to Omy27.
