Correction for “Actor-specific contributions to the deforestation slowdown in the Brazilian Amazon,” by Javier Godar, Toby A. Gardner, E. Jorge Tizado, and Pablo Pacheco, which appeared in issue 43, October 28, 2014, of *Proc Natl Acad Sci USA* (111:15591–15596; first published October 13, 2014; 10.1073/pnas.1322825111).

The authors note that the following text published incorrectly: in the Abstract, lines 14–15, “63% decrease between 2005 and 2011” should instead appear as “63% of the level observed in 2005 by 2011”; also in the Abstract, lines 17–18, “88% between 2009 and 2011” should instead appear as “24% between 2004 and 2011”; in the Significance Statement, line 11, “from a peak in 2005” should instead appear as “of the level observed in 2005”; and on page 15593, right column, first full paragraph, lines 15–16, “dropped by a maximum of 63% between 2005 and 2011” should instead appear as “had declined by 2011 to 63% of the level observed in 2005.” These errors do not affect the conclusions of the article.
