

## Correction

### CHEMISTRY

Correction for “Sensing of molecules using quantum dynamics,” by Agostino Migliore, Ron Naaman, and David N. Beratan, which appeared in issue 19, May 12, 2015, of *Proc Natl Acad Sci USA* (112:E2419–E2428; first published April 24, 2015; 10.1073/pnas.1502000112).

The authors note that on page E2428, right column, in the Acknowledgments section, lines 4–5, “We also thank the US Department of Energy for support of this research (Grant SC0010662)” should instead appear as “This research is supported by the US Department of Energy, Office of Basic Energy Sciences, Division of Materials Sciences and Engineering under Award ER46430.”
