DOI 10.1074/jbc.A111.243899

**Palmitoylation targets AKAP79 protein to lipid rafts and promotes its regulation of calcium-sensitive adenylyl cyclase type 8.**

Ilse Delint-Ramirez, Debbie Willoughby, Gerald R. V. Hammond, Laura J. Ayling, and Dermot M. F. Cooper

Dr. Hammond's name was misspelled and should appear as Gerald R. V. Hammond. The correct spelling is shown above.

Authors are urged to introduce these corrections into any reprints they distribute. Secondary (abstract) services are urged to carry notice of these corrections as prominently as they carried the original abstracts.
