

## Corrigendum

**Genes & Development 29:** 1992–1997 (2015)

### **Corrigendum: Dynamic enhancer–gene body contacts during transcription elongation**

Kiwon Lee, Chris C.-S. Hsiung, Peng Huang, Arjun Raj, and Gerd A. Blobel

The authors note that, in the above-mentioned article, in the third sentence of the abstract, where it reads “many distal enhancers” it should instead read “two model enhancers.”

This correction has been made in the article PDF and HTML on the journal website, which have been updated to reflect this change.
