Correction to:

Ludlow JB, Timothy R, Walker C, Hunter R, Benavides E, Samuelson DB, et al. Effective dose of dental CBCT—a meta analysis of published data and additional data for nine CBCT units. *Dentomaxillofac Radiol* 2015; **44**: 20140197. doi: [10.1259/dmfr.20140197](https://doi.org/10.1259/dmfr.20140197)

The authors regret that the reference Suomalainen et al⁵⁰ was mistakenly given as an example of an erroneous effective dose calculation. The dose calculation in Suomalainen et al⁵⁰ was performed correctly. Specifically, the effective dose calculation was based on the method presented by Ludlow et al,⁴⁹ which takes the partial irradiation of organs into account.
