

Correction to Chemical Compositional, Biological, and Safety Studies of a Novel Maple Syrup Derived Extract for Nutraceutical Applications

Yan Zhang, Tao Yuan, Liya Li, Pragati Nahar, Angela Slitt, and Navindra P. Seeram*

J. Agric. Food Chem. 2014, 62 (28), 6687–6698. DOI: 10.1021/jf501924y

In the next to last line of the abstract, “consumption (by HepG2 cells)” should be replaced by “levels (in HepG2 cells)”.
