

Sunil Kumar Nanda, Lopamudra Ray, Asha Dinakaran, Agreement of Arterial Sodium and Arterial Potassium Levels with Venous Sodium and Venous Potassium in Patients Admitted to Intensive Care Unit (Published in Journal of Clinical and Diagnostic Research. 2015 Feb; 9(2):). BC28–BC30

In this article a change has been done in Results Section. In previous file there were 7 Table/Figs. In current file two figures have been deleted (Table/fig-4, Table/fig 5). As these were depicting wrong information. Necessary changes in the results section and legend of Table/fig 6 and 7 has also been done in the current pdf.
