'Brain damage and mortality in dogs following pulsatile and non-pulsatile blood flows in extracorporeal circulation' by G. Wright and J. M. Sanderson, vol. 27, p. 738.

In Fig. 1 on p. 740, the four arterial blood pressure records are labelled from above downwards as PNS, PS, NPNS, and NPS. The labels should appear in the order NPS, PS, NPNS, and PNS.
