
VOLUME 287 (2012) PAGES 24573–24584

DOI 10.1074/jbc.A115.333054

Nuclear factor- κ B regulates β APP and β - and γ -secretases differently at physiological and supraphysiological A β concentrations.

Linda Chami, Virginie Buggia-Prévoit, Eric Duplan, Dolores Del Prete, Mounia Chami, Jean-François Peyron, and Frédéric Checler

Dr. Del Prete's name was misspelled. The correct spelling is Dolores Del Prete, as shown in the author line.

Authors are urged to introduce these corrections into any reprints they distribute. Secondary (abstract) services are urged to carry notice of these corrections as prominently as they carried the original abstracts.
