Unfortunately the original version of this article [1] contained an error. After publication it was brought to our attention that one of the authors' names was incorrectly spelt. The original spelling reads as 'LiXinhao Jin,'

however the correct spelling should be Xinhao Jin. This has now been updated on the website.

The online version of the original article can be found under doi:[10.1186/s12993-015-0085-5](https://doi.org/10.1186/s12993-015-0085-5).
