

## Notice of Retraction

# Retraction: Profile of Clients Tested HIV Positive in a Voluntary Counseling and Testing Center of a District Hospital, Udupi

The article titled, "Profile of Clients Tested HIV Positive in a Voluntary Counseling and Testing Center of a District Hospital, Udupi", published in pages 223-226, issue 3, vol. 34 of Indian Journal of Community Medicine<sup>[1]</sup> is being retracted. It has been observed that the articles contains several overlapping text sections from a previous published article titled, "Profile of Clients Tested HIV Positive in a Voluntary Counseling and Testing Center of a District Hospital, Udupi, South Kannada" published in pages 156-159, issue 3, vol. 33 in the same journal.<sup>[2]</sup>

Thus on the grounds of duplicity of publication, the concerned article is being retracted.

Acting Chief Editor, IJCM,  
NIHFW, Munirka, 110067 New Delhi
