

ERRATUM

Due to an overlook on the author's side, author's name in the article entitled as: "**Caffeine: Cognitive and Physical Performance Enhancer or Psychoactive Drug?**" by Dr. Daria Piacentino (Co-author) published in the journal "*Current Neuropharmacology*" Volume 13, No 1, Page no 71-88, was wrong. The correct name is as follows:

Simone Cappelletti¹, Daria Piacentino², Gabriele Sani² and Mariarosaria Aromatario^{1,*}. Caffeine: Cognitive and Physical Performance Enhancer or Psychoactive Drug. *Curr. Neuropharmacol.*, 2015, 13(1), 71-88.
