**Erratum**

**Article Title:** Premature termination of GAT1 transcription explains paradoxical negative correlation between nitrogen-responsive mRNA, but constitutive low-level protein production

**Author(s):** Isabelle Georis, Jennifer J Tate, Fabienne Vierendeels, Terrance G Cooper, and Evelyne Dubois

**Journal:** *RNA Biology*

**Bibliometrics:** Published in Volume 12, Issue 8, pp. 824–837

**DOI:** 10.1080/15476286.2015.1058476

**Publisher:** Taylor & Francis

The name of the first author of the article identified above was printed incorrectly as “Georis Isabelle.” The author’s name should correctly read “Isabelle Georis.” The corrected author list appears below. The publisher apologizes for this error.

Isabelle Georis<sup>1</sup>, Jennifer J Tate<sup>2</sup>, Fabienne Vierendeels<sup>1</sup>, Terrance G Cooper<sup>2</sup>, and Evelyne Dubois<sup>1</sup>
