## Correction

---

### Correction to Ward et al. (2015)

In the article “The Impact of Motivation on Cognitive Performance in an Animal Model of the Negative and Cognitive Symptoms of Schizophrenia,” by Ryan D. Ward, Vanessa Winiger, Kerin K. Higa, Julia B. Kahn, Eric R. Kandel, Peter D. Balsam, and Eleanor H. Simpson (*Behavioral Neuroscience*, 2015, Vol. 129, No. 3, pp. 292–299. <http://dx.doi.org/10.1037/bne0000051>), there is a text error in the 4th paragraph of the Discussion section. The explanation for the abbreviation OFC was incorrectly listed as occipitofrontal circumference. It should have been orbitofrontal cortex.
