

CORRECTION

# Correction: Deep Evolutionary Comparison of Gene Expression Identifies Parallel Recruitment of *Trans*-Factors in Two Independent Origins of C<sub>4</sub> Photosynthesis

Sylvain Aubry, Steven Kelly, Britta M. C. Kümpers, Richard D. Smith-Unna, Julian M. Hibberd

There is an error in the first sentence of the Materials and Methods. The correct sentence is: *C. gynandra* was grown in soil under long-day conditions in a cabinet with light intensity of 350  $\mu\text{mol photons m}^{-2} \text{s}^{-1}$  and a temperature of daytime 23°C/20°C.
