The authors wish to make two changes to their published paper [1]. The word “soemerine (1)” in the abstract, line 4, needs to be changed to “roemerine (1)”. The authors also wish to change the content of Figure 1 as shown below. The authors apologize for any inconvenience these changes may cause.

Figure 1. Structure of compounds 1–4.

The changes do not affect the scientific results. The manuscript will be updated and the original will remain online on the article webpage.
