

## Correction

---

Barth DD, Engel ME, Whitelaw A, *et al.* Rationale and design of the African group A streptococcal infection registry: the AFROStrep study. *BMJ Open* 2016;6:e010248. The first and last names of the fourth author were inadvertently transposed. 'Alemseged' is the author's first name and 'Abdissa' is the last name.

*BMJ Open* 2016;6:e010248corr1. doi:10.1136/bmjopen-2015-010248corr1
