Author manuscript

Nat Genet. Author manuscript; available in PMC 2016 June 01.

Published in final edited form as:

Nat Genet. 2016 February ; 48(2): 221. doi:10.1038/ng0216-221.

Retraction: A *TARBP2* mutation in human cancer impairs microRNA processing and DICER1 function

Sonia A Melo, Santiago Roper, Catia Moutinho, Lauri A Aaltonen, Hiroyuki Yamamoto, George A Calin, Simona Rossi, Agustin F Fernandez, Fatima Carneiro, Carla Oliveira, Bibiana Ferreira, Chang-Gong Liu, Alberto Villanueva, Gabriel Capella, Simo Schwartz Jr, Ramin Shiekhattar, and Manel Esteller

We have recently become aware of the presence of duplicated images in the Figures 3 and 4 and Supplementary Figures 5 and 6 in our publication *Nat. Genet.* **41**, 365–370, 2009, that were assembled according to the specified author contributions. We therefore retract the publication for the sake of the high standards we expect for research and scientific journals. All the authors have signed this statement.
