

RETRACTION

Myostatin is a novel tumoral factor that induces cancer cachexia

Sudarsanareddy Lokireddy, Isuru Wijerupage Wijesoma, Sabeera Bonala, Meng Wei, Siu Kwan Sze, Craig McFarlane, Ravi Kambadur and Mridula Sharma

Volume 446 (issue 1), 2012, pp. 23–36

Following an investigation by Nanyang Technological University (NTU), instances of falsification of Western blot data by the first author, Sudarsanareddy Lokireddy, have been reported. Following the outcome of the investigation, the senior author

and co-authors retract this paper. The Journal has been unable to contact Sudarsanareddy Lokireddy, and he has not agreed to the retraction.
