*Nature Communications* 7:11302 doi: 10.1038/ncomms11302 (2016); Published 12 Apr 2016; Updated 19 Jul 2016

In Fig. 6a of this Article the sixth histogram bars were accidentally mislabeled during the production process. The label 'VEGF-C + anti- $\beta$ 3' should read 'VEGF-C + anti- $\beta$ 5', and 'Gal-8 + anti- $\beta$ 3' should read 'Gal-8 + anti- $\beta$ 5'.

The correct version of the figure appears below.

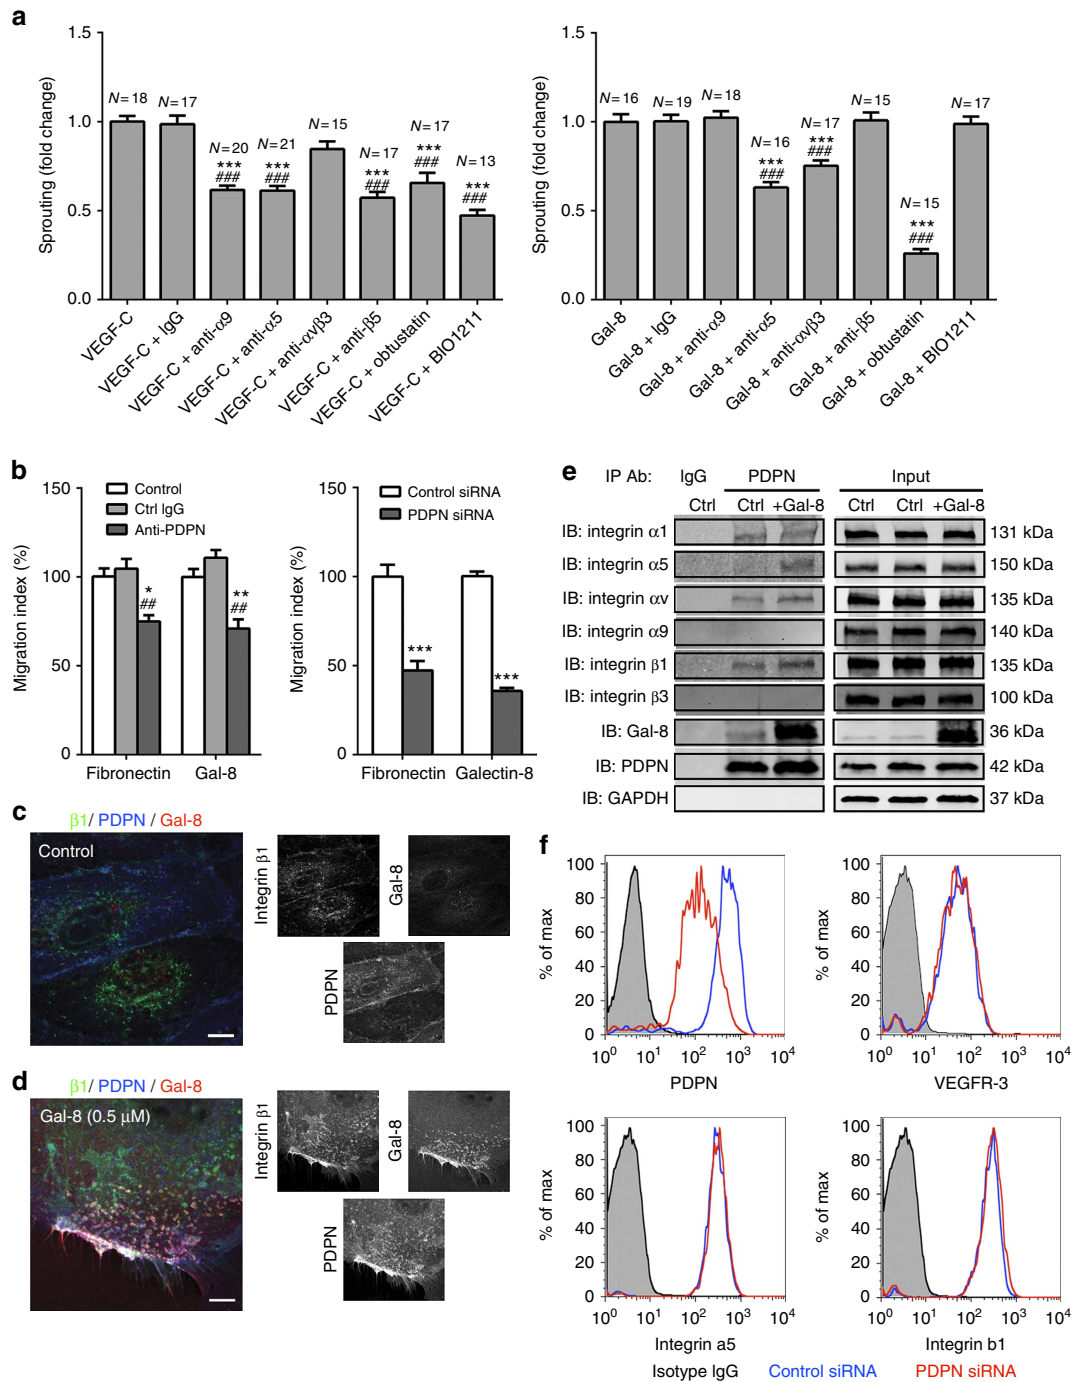

Figure 6
