Cortical folding of the preterm brain: a longitudinal analysis of extremely preterm born neonates using spectral matching

Eliza Orasanu | Andrew Melbourne | Manuel Jorge Cardoso | Herve Lombaert | Giles S. Kendall | Nicola J. Robertson | Neil Marlow | Sebastien Ourselin

In Orasanu et al. (2016), the last name of the fourth author was spelled incorrectly as Herve Lomabert. The author's correct name should be Herve Lombaert.
