

CORRECTION

Correction: Improved Metabolic Models for *E. coli* and *Mycoplasma genitalium* from GlobalFit, an Algorithm That Simultaneously Matches Growth and Non-Growth Data Sets

The PLOS Computational Biology Staff

The funding statement for this article should read as follows:

We acknowledge financial support through the German Research Foundation DFG (GRK 1525, EXC 1028, and SFB 680). The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.
