Harper, Gabor Czibik, Chunyan Liao, Mohammed Bellahcene, Violetta Steeples, Sahar Ghaffari, Arash Yavari, Alice Mayer, Joanna Poulton, David J. P. Ferguson, Luca Scorrano, Nishani T. Hettiarachchi, Chris Peers, John Boyle, R. Blake Hill, Alison Simmons, Hugh Watkins, T. Neil Dear, and Houman Ashrafian

Chunyan Liao's and Grazia M. Cereghetti's names were misspelled. The names have been corrected as shown above.

Authors are urged to introduce these corrections into any reprints they distribute. Secondary (abstract) services are urged to carry notice of these corrections as prominently as they carried the original abstracts.
