Correction to 'Through the eyes of a bird: modelling visually guided obstacle flight'

Huai-Ti Lin, Ivo G. Ros and Andrew A. Biewener

H-TL, 0000-0003-3370-244X; IGR, 0000-0002-9089-548X; AAB, 0000-0003-3303-8737

J. R. Soc. Interface **11**, 20140239. (2014; Published online 8 May 2014) (doi:10.1098/rsif.2014.0239)

In equation (4.3), the parentheses should have been absolute sign brackets, as follows:

$$\alpha_i = |\theta_{\text{pigeon}} - \theta_i| \cdot \frac{\theta_{\text{th}}}{\theta_{\text{pigeon}} - \theta_i} \cdot \frac{R_{\text{th}}}{R_i}.$$

This error does not affect any results reported in the paper. We apologize for any confusion caused.
