

Corrigendum

Jin, S.X., Singh, N.D., Li, L.B., Zhang, X.L. and Daniell, H. (2015) Engineered chloroplast dsRNA silences cytochrome p450 monooxygenase, V-ATPase and chitin synthase genes in the insect gut and disrupts *Helicoverpa armigera* larval development and pupation. *Plant Biotechnol. J.* 13, 435–446, DOI: 10.1111/pbi.12355.

The cotton bollworm species name reported in this manuscript *Helicoverpa armigera* is incorrect. The correct name of the species used in this study is *Helicoverpa zea*. The *H. zea* eggs used in our studies were purchased at Benzon Research, as stated in this paper. All of the research findings and conclusions are accurate for *H. zea*.
