**Characterization of genomic deletion efficiency mediated by clustered regularly interspaced short palindromic repeats (CRISPR)/Cas9 nuclease system in mammalian cells.**

Matthew C. Canver, Daniel E. Bauer, Abhishek Dass, Yvette Y. Yien, Jacky Chung, Takeshi Masuda, Takahiro Maeda, Barry H. Paw, and Stuart H. Orkin

There was an error in the title and the first sentence of the abstract. The CRISPR acronym should be clustered regularly interspaced short palindromic repeats (CRISPR).

Authors are urged to introduce these corrections into any reprints they distribute. Secondary (abstract) services are urged to carry notice of these corrections as prominently as they carried the original abstracts.
