

## Correction

The authors of "Arl13b regulates Shh signaling from both inside and outside the cilium" (Mol. Biol. Cell [2016] 27, 3780–3790; originally published in *MBoC In Press* as 10.1091/mbc.E16-03-0189) wish to make a correction to the author line of the article. In the original HTML and PDF versions, the third author's name was listed as "Anna I. Ivanova." This has been corrected to read "Anna A. Ivanova."

The HTML and PDF versions were corrected on the *Molecular Biology of the Cell* website on March 17, 2017. These corrections may not appear on copies of the article that reside on other websites.
