# Correction: Spatial separation of two different pathways accounting for the generation of calcium signals in astrocytes
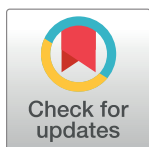

**The *PLOS Computational Biology* Staff**

There is an error in Equation 4. It should read:

$$[Ca^{2+}]_o - [Ca^{2+}]_{o_{rest}} = [Ca^{2+}]_{i_{rest}} - [Ca^{2+}]_i + [Ca^{2+}]_{ER_{rest}} - [Ca^{2+}]_{ER}$$
