MolMedRep 14: 5556-5566, 2016; DOI: 10.3892/mmr.2016.5954

We would like to retract our article entitled 'Regulatory T cells exhibit neuroprotective effect in a mouse model of traumatic brain injury' published in Molecular Medicine Reports 14: 5556-5566, 2016. After careful consideration, we recognize that there was an undeclared conflict of interest on the part of certain of the authors. All the authors agree to this retraction. We sincerely apologize for any inconvenience that might result from the retraction of this article.
