A corrigendum on

From Vineyard Soil to Wine Fermentation: Microbiome Approximations to Explain the “terroir” Concept

by Belda, I., Zarraindia, I., Perisin, M., Palacios, A., and Acedo, A. (2017). *Front. Microbiol.* 8:821. doi: 10.3389/fmicb.2017.00821

In the original article, there was an error in the Conflict of Interest statement. The correct version appears below. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

Conflict of Interest Statement: IB, MP, AP, and AA are employees or active collaborators of Biome Makers Inc., which also funded this study. AP is affiliated with Excell Iberica Laboratories.

The other author declares that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
