(*Cell Reports* 15, 1024–1036; May 3, 2016)

In the originally published version of this article, the concentration of dual-SMAD inhibitors used was incorrectly reported in the Supplemental Experimental Procedures as “0.1 mM LDN193189 (Stemgent) and 10 mM SB431542 (Tocris)” instead of “0.1 μM LDN193189 (Stemgent) and 10 μM SB431542 (Tocris).” The Supplemental Experimental Procedures section has now been corrected online.

The authors regret this error.
