

Correction for Wang et al., “Nucleophosmin, a Critical Bax Cofactor in Ischemia-Induced Cell Death”

Zhiyong Wang, Jonathan M. Gall, Ramon Bonegio, Andrea Havasi, Katarina Illanes, John H. Schwartz, Steven C. Borkan

Department of Medicine, Renal Section, Boston Medical Center, Evans Biomedical Research Center, Boston, Massachusetts, USA

Volume 33, no. 10, p. 1916–1924, 2013, <https://doi.org/10.1128/MCB.00015-13>. Page 1921, Fig. 7A: We made a technical error, accidentally duplicating the β -actin panel from Fig. 8B. The correct panel should appear as shown below. We are confident that this correction does not alter the validity or conclusions of our study.
