

**Genetics.** In the article “The reductive enzyme thioredoxin 1 acts as an oxidant when it is exported to the *Escherichia coli* periplasm” by Laurent Debarbieux and Jon Beckwith, which appeared in issue number 18, September 1, 1998, of *Proc. Natl. Acad. Sci. USA* (**95**, 10751–10756), the authors wish to note that the following text was omitted from the acknowledgments: “This work was supported by the National Institutes of Health (NIH GM41883). J.B. is an American Cancer Society Research Professor.”

**Plant Biology.** In the article “Sucrose is a signal molecule in assimilate partitioning” by Tzyy-Jen Chiou and Daniel R. Bush, which appeared in number 8, April 14, 1998, of *Proc. Natl. Acad. Sci. USA* (**95**, 4784–4788), the following correction should be noted. Due to a typographical error in preparing the manuscript, the units of  $V_{\max}$  in Table 2 are incorrect. They should read nmol/mg protein·min.
