Publisher Correction: Cortical dendritic activity correlates with spindle-rich oscillations during sleep in rodents

Julie Seibt^{1,2}, Clément J. Richard¹, Johanna Sigl-Glöckner³, Naoya Takahashi⁴, David I. Kaplan¹, Guy Doron⁴, Denis de Limoges⁵, Christina Bocklisch⁴ & Matthew E. Larkum⁴ 

Nature Communications 8:684 doi:10.1038/s41467-017-00735-w; Article published online 25 September 2017

In the originally published version of this Article, incorrect references were cited on two occasions in the Results section. Under the subheading ‘Ca²⁺ activity in single dendrites and somata of L5 neurons’, the final sentence of the second paragraph incorrectly cited reference 29 instead of reference 31. Under the subheading ‘Spiking of L5 cell bodies is not influenced by spindles’, the first sentence cited reference 30 instead of reference 29. These errors have now been corrected in both the PDF and HTML versions of the Article.
