Since we do not have digital files of the original LI-COR images, we repeated the Western blot analysis and recollected X-ray film images.

The 3rd column of Fig. 8A should appear as shown below.

The 2nd and 4th columns of Fig. 8C should appear as shown below.

Page 9640, Fig. 9C: The 1st column had duplications of X-ray film images due to errors in figure assembly. Since we do not have digital files of the original LI-COR images, we repeated the Western blot analysis and recollected X-ray film images. The 1st column of Fig. 9C should appear as shown below.

We apologize for these errors. Our corrections do not change the data, the interpretation of the results, or our conclusions.
