Volume 91, no. 19, e00991-17, 2017, <https://doi.org/10.1128/JVI.00991-17>. Supplemental material: Data Set S1 wrongly identifies the sequence MW_08_CH505_1_A2_KC247557 (CH0505.w4.3) as a transmitted-founder sequence. In row 184 (“KC247557”), column G (“is.TF”), “TRUE” should therefore be changed to “FALSE.”

Revised supplemental material is posted at <http://jvi.asm.org/content/91/19/e00991-17/suppl/DCSupplemental>.
