

CORRIGENDUM

Genes & Development 30: 2370–2375 (2016)

Corrigendum: Coupled enhancer and coding sequence evolution of a homeobox gene shaped leaf diversity

Francesco Vuolo, Remco A. Mentink, Mohsen Hajheidari, C. Donovan Bailey, Dmitry A. Filatov, and Miltos Tsiantis

In the above-mentioned article, a graph indicating stomatal density in [Supplemental Figure S7](#) was omitted (panel J), and panels C–F were incorrectly referenced in the legend. These changes are reflected in Revised [Supplemental Material](#) online. The corresponding [Supplemental Figure S7](#) citations have also been corrected in the original article.
