Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-017-01525-0>, published online 14 November 2017

The originally published version of this Article did not acknowledge Fabian J. Theis and Gordan Lauc as corresponding authors. Furthermore, the author Jan Krumsiek was incorrectly listed as being affiliated with institutions 1 and 14, and should have been affiliated with institutions 1 and 15. These errors have now been corrected in both the PDF and HTML versions of the manuscript.
