

## ERRATUM

# Current applications of multiparameter flow cytometry in plasma cell disorders

T Jelinek, R Bezdekova, M Zatopkova, L Burgos, M Simicek, T Sevcikova, B Paiva and R Hajek

*Blood Cancer Journal* (2018) 8, e621; doi:10.1038/bcj.2017.101; published online 19 January 2018

**Correction to:** *Blood Cancer Journal* (2017) 7, e617; doi:10.1038/bcj.2017.90; published online 20 October 2017

Since the publication of this paper the authors have noticed that some of the references cited in the text were not numbered correctly. A duplicate reference in the reference list was removed

during the production process but the references were not correctly re-numbered in the text. This has now been updated in the original article.
