

## Shared Genetic Risk Factors of Intracranial, Abdominal, and Thoracic Aneurysms

In the article by van 't Hof et al, “Shared Genetic Risk Factors of Intracranial, Abdominal, and Thoracic Aneurysms,” which published online on July 14, 2016, and appeared in the July 2016 issue of the journal *J Am Heart Assoc*. 2016;5:e002603. DOI: 10.1161/JAHA.115.002603), an error occurred in the Sources of Funding section. The second sentence under the heading “Sources of Funding” read as follows: “Ruigrok is supported by a clinical fellowship grant of the Netherlands Organization for Scientific Research (NWO;

Project No. 40-00703-98-13533).” This sentence has been updated to include the correct project number. It now reads “Ruigrok was supported by a clinical fellowship grant of the Netherlands Organization for Scientific Research (Project No. 90714533).”

The authors regret the error.
