

## Correction

### PERSPECTIVE

Correction for “New twist on artificial muscles,” by Carter S. Haines, Na Li, Geoffrey M. Spinks, Ali E. Aliev, Jiangtao Di, and Ray H. Baughman, which was first published September 26, 2016; 10.1073/pnas.1605273113 (*Proc Natl Acad Sci USA* 113:11709–11716).

The authors note that on page 11714, left column, first full paragraph, line 7, “ $\pi D^4/16$ ” should instead appear as “ $\pi D^4/64$ ”; and, within the same paragraph, line 9, “ $F = \sigma A = 4\pi\sigma D^2$ ” should instead appear as “ $F = \sigma A = 4\pi\sigma D^2/4$ .”

The authors also note the Eq. 5 appeared incorrectly. It should have appeared as  $T_c = \frac{\sqrt{2\sigma E}}{\pi D G}$ .
