In the article “Who Take Naps? Self-Reported and Objectively Measured Napping in Very Old Women,” the funding paragraph was not complete. The correct funding paragraph is below:

This work was entirely funded by the National Institutes of Health. The Study of Osteoporotic Fractures (SOF) is supported by National Institutes of Health funding. The National Institute on Aging (NIA) provides support under the following grant numbers: NIH K24AG031155, R01 AG005407, R01 AR35582, R01 AR35583, R01 AR35584, R01 AG005394, R01 AG027574, R01 AG027576, and R01 AG026720. The sponsor played no role in design, methods, subject recruitment, data collection, analysis, or preparation of the manuscript. The original article has now been corrected.
